

PRIVACY POLICY

Zapi Spa, a company incorporated and registered in Italy, with the number IT01143740288, in the person of its legal representative, registered office at Via Terza Strada, 12 - 35026 Conselve (PD) respects the privacy rights of visitors to its own website accessible at www.zapispa.com (hereinafter referred to as Visitors) and recognizes the importance of protecting personal data.

With the entry into force of EU Regulation no. 679 - GDPR we have updated our privacy policy in order to provide visitors with all the information on how we collect, manage and store personal data collected online.

All information about our company is collected on the website and through specific forms the visitor can: request information, download our catalogs and subscribe to our newsletter.

Our goal is to provide all the information necessary to make navigation within the site transparent and secure. Therefore, it is important to carefully read the contents of this document and in case of non-sharing we recommend not to continue browsing.

By continuing to browse the site you accept the contents of the documents: **Cookie Policy - Privacy Statement.**

Privacy Policy

Data Controller

Personal data collected during navigation on our site as well as data that will voluntarily be sent via the contact form will be processed by Zapi Spa ("Data Controller").

Purpose of data processing

Personal data collected during navigation on our site as well as data that you voluntarily send us through the contact form will be processed only to respond to requests sent.

In the case of subscription to the newsletter or only after having given specific consent, we will send newsletters or promotional messages of the services and products of the Data Controller. For information on how to handle navigation data, please refer to what is specified in the document **Cookie Policy**.

Type of personal data collected

The personal data collected on the site do not have the nature of special data (as defined by art.9 of the GDPR) but are only suitable for identifying the visitor.

In this regard, it is specified that the business activity of Data Controller is aimed primarily at a business clientele, therefore personal data concern individuals who send requests and receive communications in response to companies.

Methods and duration of data processing

Data is processed with manual, computer and electronic instruments with logics strictly correlated to the purposes specified in the Privacy statement and, in any case, ensuring the security and confidentiality of the data.

The company, within it, entrusts the processing of personal data to authorized persons who have received specific instructions and training and who have undertaken to treat the data in a confidential manner.

Upgrades

Data Controller i, following indications by the Data Protection Authorities or in case of organizational changes, may update and/or modify this document. Therefore, visitors will have to periodically check for any changes. In any case, in order to make transparent our relationship with all visitors, who have sent requests through the site, we will send specific notice.

Visitor's rights

In implementing the principle of transparency, the Visitor may request all information concerning the processing of his personal data and exercise the rights recognized by the GDPR and specified in articles 15 - 23 EU Regulation no. 679 of 27 April 2016 - GDPR.
